

Former Westmuir Residents send Greetings from Sydney

George & Elizabeth Milne met up with two former residents of Westmuir ... Margaret Gray and daughter Linda.

Linda was only 4 years of age when she and mum Margaret emigrated to Australia.

Linda is coming to Scotland on 20th March and, after walking the West Highland Way, intends to walk with the Westmuir Walking Group on Tuesday 14th April.

Margaret with daughter Linda.

Margaret's granddaughter, Morgan, has achieved success recently. She was the top student NSW in food technology, but, the Penrith College student, has set her sights on becoming a forensic scientist.
